

Folded Rock Trail.

Two and a half mile hike with an ascent of 1,250 ft with views of Batten Kill Valley and points north-west. At first the trail follows an old wods road, then climbs the side of the hollow before running along the Snake Ridge to a ledge overlooking the Batten Kill.

Map created by Andy Arthur on 10/24/2024 in QGIS 3.34.11-Prizren. Contains US Forest Service Base Map with DEC Data. More maps at andyarthur.org.
