

Wilcox Lake via Harrisburg Road.

Head 2.5 miles past Harrisburg Lake to a parking area before the stream ford (with a pedestrian bridge along it). Hike a short distance to a right-away across a private hunting camp, then a half mile to a suspension bridge. Cross the bridge and hike 1/2 mile up a hill then back down it to Wilcox Lake. Two lean-tos and designated campsites along the lake. Also, several sites are designated along Harrisburg Road.
